Our History

Childcare Management Solutions (CMS) was established in 1991 to offer quality training to Early Care Professionals in the Washington D.C. Metropolitan area. We have educated over 100,000 participants providing trainings across the USA and Over Seas. In 2010, CMS partnered with Knowledge Learning Solutions and was approved to provide Online Training for Pre-Service and Core of Knowledge Courses. We are approved for over 150 different topics. We also conduct training for Federal Employees, Corporate, Headstart, Charter, Public Schools and Parenting Groups.
